Privilege Card Members

Now also accrue points in addition to Discounts

How does it work?

\$1 spent = 1 Privilege Point / 50 Privilege Points = 1 Redeemable Dollar. So when you have accumulated 150 Privilege Points you will have accrued \$3 Redeemable Dollars, which you can redeem for one flat white or one chocolate brownie and so on.

Alternatively, with 3 redeemable dollars you could (for example) purchase our delicious Spicy Cajun Chicken Salad and the savings to you would work as follows:

Spicy Cajun Chicken Salad

Normal Price	\$16
Privilege Card Members Price	\$13
Available Redeemable Dollars	\$3

You pay only \$10 (you accumulate 10 points)

Your savings as a Privilege Member \$6 or 35.3%!

Other Advantages

1. No minimum spend 2. Points can be redeemed against your purchases as soon as they are accrued

Tips on how to accumulate a lot more points fast

1. Refer on a new Privilege Member and you not only get a voucher for 4 free coffees but also get a bonus of 100 points – and that’s for each new member! Please ask your referral to put your name at the bottom of their application form to ensure you get your bonus points.

2. Join us for **1 Night in Bangkok** and you clock up another *120 points per person or 240 points a couple!* That’s nearly **\$5 redeemable in credit** for your next visit to Rations Cafe!

Why would you not want to be a **Privilege Card Member**? Please visit our website for details.

Want Good Coffee and Tea for Home? We’ve got it for you

Available for sale at Rations Café is **Ebony Coffee House Blend** plunger coffee in 200gm vacuum sealed bags for \$10. We can order in good quality plungers too.

For those with espresso machines at home we also have **House Blend Espresso Coffee** freshly ground to order for \$6 (100grams). We think they’re a lot nicer than the supermarket varieties but you can be the judge of that.

Also available are Dilmah’s premium **‘t’ Series** range of teas for the discerning tea drinker. In their impressive packaging they can also be really thoughtful gifts. If we don’t carry the type of **‘t’ Series** tea you want, we’ll order it in for you.
